NEWPORT NEWS,

ROBERT T. GRIMES. Importing Tailor and Men's Furnisher,

C. W. WATTLES, Agent,

I believe it is possible to build up a much larger tailoring business in Alexandria than has ever existed here. I believe also that while PRICES is a factor, the first and mos important thing is THOEOUGHLY GOOD WOEK. In other words while men want low work. In other words while men want low prices they also demand good cloth and well cut, and well made garments. I have bought both here and in Europe a bigger stock of high grade cloths than usual, and at advantageous prices. I have the best workmen that money can hire, and I'm attending right to business myself as I have been these tweive wars. I have carefully control the cost of years. I have carefully counted the cost of everything; I have figured not how much such work should bring, but how little I can do it for, and I'm going to make the price \$20 PER SUIT, and Robert T.
